

Declaration of Safety Compliance

"The Green Book Cruising Regulations"

The regulations have been developed by the Royal Prince Alfred Yacht Club (RPAYC) for cruising events.

QCYC has been given permission to apply the rules under our authority for our events and subject to any further special amendments as advised, we have accepted responsibility for their enforcement.

The regulations can be down loaded from RPAYC. They are aimed at cruising events and do not necessarily follow the "Blue Book" in all respects. Read carefully the remarks on page one of the document.
